IT'S SCHOOL VACCINATION TIME!

Roanoke, VA –As the start of the school years approaches, the Roanoke City & Alleghany Health Districts are reminding parents of school-aged children to keep up with the required shot schedule so that students can start school on time. Dr. Stephanie Harper, Health Director, notes "Learners entering kindergarten and the 6th grade have specific vaccination requirements and we don't want them to miss a day of school".

Vaccination is available at your private physician office and your local health department. Be sure to bring your child's shot record with you to the visit.

Health Department visits can be walk-in or arranged by appointment by calling your local health department.

Clinic times are as follows:
